

Mamuka Mamulashvili

Course: Front-end Development: Programming in HTML5 with JavaScript and CSS

I have been working as React Developer at Webiz Georgia for about 6 months. I'd like to attend this course, because I want to get better at front-end and this program will provide me with intensive practice.

Experience

June 2020 –	Webiz Georgia	Tbilisi
Frontend Developer		
<ul style="list-style-type: none">▪ Html/ CSS / JavaScript▪ React.js
